## *Chapter 12 – The New Learning*

*Francesco Petrarca*

**Petrarch - “Father of the Renaissance”**

*“the first tourist”*

*“father of Humanism”*

## Chapter 12 – *The New Learning*

### *Civic Humanism*

combination of abstract  
entities of classical culture  
and Christian philosophy

## Chapter 12 – *Humanism in the 15th century*

### *Education*

“The ability to quote Virgil... was a badge of superiority. ...the new curriculum ... endless memorizations and repetitions of Latin texts.”

text, p. 331

### *New Standards of Behavior*

... no longer easy to claim that physical bravery was the supreme quality of noblemen. Set themselves apart ... by patronizing artists and writers.

## *Chapter 12 – Art and Artists*

**Who are these guys, and what are their names?**
